

**BETHEL BUSINESS ASSOCIATION**  
Meeting of 9/5/2007 Minutes

Kirk White opened the meeting at 6:40 at the Band Shell. There were no minutes of the prior meeting to act on.

The Treasurer's report was read & accepted. Total cash in the account is \$7,376.71. We currently have 58 paid members as compared to 61 for 2006.

**Old Business**

The BBA inventory is nearly complete with a few minor additions to be located & added per Rick's report.

Kirk has spoken to Linda Orr, the organizer of the Farmer's Market. She indicated the Monday markets are going well and will be willing to head up the project in 2008.

The "welcome baskets" are nearly ready and Ellen will have 12 ready to go soon.

Kirk reminded us that it is not too early to start planning for the Holiday season decorating for downtown. A few suggestions were brought to the table and more will follow in subsequent meetings.

**New Business**

After some discussion, a parking lot clean up project was agreed upon. Those interested will meet at the parking lot downtown on Saturday, September 22 from 9 – 11.

Suggestions for upcoming mixers were presented and Kirk will be working on those suggestions.

Respectfully Submitted,

Rick Benson, Acting Secretary
